December 17 2013 4:11 PM

Wood River Chiropractic Center has been selected for the 2013 Best of Wood River Award in the Chiropractors & Medical Nutrition Counselors category by the Wood River Award Program.

Each year, the Wood River Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Wood River area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Wood River Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Wood River Award Program and data provided by third parties.
