Bundle up, gather your favorite music and original or found poetry, and make your way to La Vista's rustic lodge on Saturday, January 11th from 7-9 pm for an evening of camaraderie around a blazing fire! We'll sip hot drinks as we sit back and enjoy the wisdom expressed in song and the written word. Please also bring a snack to share. We'll provide plenty of hot drinks. Dress warmly; the lodge is heated only by you and a roaring fire!
