**WASHINGTON, D.C.** – U.S. Rep. Mike Bost (IL-12) today released the following statement regarding Senate passage of the United States-Mexico-Canada Agreement (USMCA):

*“Senate passage of USMCA today means that we are one step closer to delivering a major win for American farmers, manufacturers, and producers. USMCA will bring North American trade into the 21<sup>st</sup> century, strengthen export markets for our farmers, and provide certainty to the 70,000 Illinoisans whose jobs depend on free and fair trade with Canada and Mexico. I look forward to President Trump signing USMCA into law.”*
