

Let's Encourage Spring by Making a Hat!

January 23 2014 11:34 AM

This is a really fun class! Join us on Saturday, January 25th, from 10am - 2pm at By Design.

We will learn to make a "Pod", a small piece that we'll form into a darling hat but the Pod is also the foundation for many, many other styles of hats.

This \$50, four hour class includes all basic supplies - you provide your fabric choices.

Call Lillian at By Design, 618-433-1400 to sign up and receive your supply list.
