

# Valentine for Hereos

February 6 2014 11:36 AM

The St. John's Community Care Adult Day Program participants with the help of volunteer students from the SIUE Woman's Softball Team created over 185 Valentine cards for the Valentines for Heroes program. Linda Davis, St. John's Community Care RN, organized the project over the last several weeks and made sure each card was creative and contained an appropriate Valentine message for the troops. Congressman John M. Shimkus will distribute the cards to veterans and those currently serving the military.
