Alton Memorial Convenient Care Opening March 3

Ribbon Cutting Planned For Opening Day on Godfrey Road

ALTON, IL -- Getting the right care in the right setting is more important than ever before. Alton Memorial Convenient Care is scheduled to open Monday, March 3, at 5520B Godfrey Road – at the intersection of Godfrey Road and Stamper Lane. A ribbon cutting will be held in a noon ceremony. More parking will be available at North Elementary School, just across Stamper Lane to the north. Refreshments will be

available.

Alton Memorial Convenient Care will offer urgent treatment for non-acute medical issues. The medical team is ready to give you immediate, same-day attention. No appointments are necessary.

“Alton Memorial Convenient Care will provide additional access to care at a lower cost,” said Michelle Gross, office manager for Alton Memorial Convenient Care. “We will see patients that have an illness or injury that doesn’t warrant a trip to the emergency room. If your physician office is closed, we can see you and the results of your visit will be sent to your physician for continuity of care.”

Alton Memorial Convenient Care is just that – convenient care when and where you need it. With easy stop-light access, Convenient Care is located two miles south of I-255 across from McDonald’s. The hours are 2-10 p.m. daily and the phone number is 618-463-7800.

Common ailments seen at Alton Memorial Convenient Care will include:

- Allergies and allergic reactions
