ST. LOUIS, MO., March 3, 2014... For 8-year-old Nicholas from Quincy, Ill., who is living with a life-threatening neurological disorder, Sunday March 2nd proved to be a pretty magical day. Recipient of the latest wish trip to be granted by Allegiant and Make-A-Wish, Nicholas and his family were the VIP guests at a special send off celebration hosted by MidAmerica St. Louis Airport and Pyramid Electrical Contractors, as they prepared to depart on an Allegiant flight to Orlando for a magical wish experience.

Pyramid Electrical Contractors, a local Fairview Heights business, heard about Nicholas' story and stepped up to ensure that his sendoff was as magical as his wish trip. The company worked with MidAmerica to provide the family with the full "Red Carpet" treatment at the airport. Nicholas and his family were greeted upon arrival by a long red carpet lined with balloons, and a personal assistant was on hand to escort them through check-in to their gate and to ensure that all of their needs were met. Each family member also received a gift bag, including T-shirts, water bottles, autograph books, photo albums, toys and more. To truly make Nicholas feel special, he also received a portable DVD player and one of his favorite movies to watch during the flight.

Representatives from Allegiant, MidAmerica St. Louis Airport and Pyramid Electrical Contractors were at the airport to share this moment with Nicholas and his family.

“Our goal was to show support for Nicholas, make him and his family feel welcome and start his wish trip out with a bit of a splash,” stated Tim Cantwell, Director at MidAmerica Airport. “We were delighted to host them and I commend Pyramid Electrical Contractors for going above and beyond and adding the red carpet touches to make this sendoff even more memorable.”

Allegiant has built a business around helping make vacation possible in small communities throughout the country. By establishing Make-A-Wish as its primary charity, Allegiant is able to help make wishes possible in the communities it serves, including Southwestern Illinois. Thanks to this unique partnership, Nicholas was given the opportunity to fly with his family to Orlando from MidAmerica Airport, as Allegiant provided its 79th wish trip to this Make-A-Wish family.
