JCHS Theatre students, pit band, stage crew and staff continue to demonstrate that an exemplary work ethic produces a dynamic and engaging musical. “The Boyfriend” production was super-sensational, very impressive! Congrats to all involved!

Congrats to Alex Croxford, Rachel Koenig, Lily Tepen and Matt Wendell for completing the M3 Math Challenge on March 9. The final product is impressive!

Pi Day was experienced by many at JCHS on Friday, March 14! But don’t think they were the only ones who celebrated this occasion. Take a look at one kindergarten class that also took part in Pi Day festivities! Could it be Mrs. Churchman’s class?
