ST. LOUIS - Live music returns to St. Louis starting Memorial Day Weekend and continuing through June 7 at the first drive-in concert and movie venue created in St. Louis County.

The POWERplex, Schnucks, U.S. Bank, Fogarty Services and Klance Unlimited present Drive-In St. Louis -- Music, Movies and Graduations.

This safe, COVID-19 compliant drive-in campus will meet all social distancing and health department recommendations as the massive parking lot of the former St. Louis Outlet Mall in Hazelwood is transformed into a live concert and drive-in movie venue on nights when planned drive-in high school graduations are not being held there.

For 11 nights, some of St. Louis' top bands will take the huge stage and their performances will run on five super-bright HD, LED Jumbotrons. The live music will be broadcast through FM stereo transmitters to car radios in the 9-acre audience area. Space is available for up to 450 cars.

Tickets are available now at [www.driveinstl.com](http://www.driveinstl.com). On event evenings, the venue opens at 5:30 p.m. Concerts begin at 7 p.m. and movies at 8:45 p.m.
