About Rebuilding Together SouthWest Illinois:

Rebuilding Together SouthWest Illinois partners with volunteers, individual and corporate sponsors to provide home repair and renovation services free of charge to homeowners who meet the program requirements. Our National Rebuild Day is scheduled for Saturday, April 26 this year. We will have over 350 volunteers working on various projects throughout Madison and St Clair County areas. Every dollar donated to Rebuilding Together turns into four dollars which are reinvested into our communities. Projects include ramps, upgrading utilities, weatherization, occupational upgrades like handrails and grab bars, and other minor home repairs.

Each year, hundreds of volunteers and donors feel the impact of helping their community. Volunteers leave the project homes exhausted, but with a wonderful feeling of joy and accomplishment at how they have improved quality of life for these homeowners. The appreciation expressed by the homeowners through their words and gestures makes all their efforts worthwhile.
