"Teacher assignments and schedules will be accessible in TigerView for all students including those students who will be 100 percent remote learning," District 7 said.

"Students who are 100 percent remote will also be contacted by their teacher(s) by Wednesday, August 12, with additional information.

"On Friday, August 7, you will receive an email from this address that will provide TigerView login information and passwords. You will use this information to log in to TigerView on Monday.

"Parents of elementary students can expect communication from your student's building principal by the end of this week with additional information.
