Little Knights offers the opportunity for children to develop physically, socially and cognitively, according to their individual learning style. Our center considers each child's unique personality and adjusts to their temperament and rate of development. Curriculum is planned to enhance and challenge individual needs, interests and abilities. Activities and relationships occur in a healthy, positive and relaxed environment in which well-qualified staff provide personal attention, guidance and nurturing to each child. Little Knights is a licensed center with an in-home daycare feel. Our class sizes are small so that each child can get the one on one attention they need and deserve at a young age.

**SI Medical Center**

**Donald Baker, President**

**3 Professional Dr. Suite C**

**Alton, IL 62002**
