GODFREY - Cedarhurst of Godfrey residents performed a true act of kindness on Monday and passed out donuts and coffee to passersby. "Everyone was welcome to stop in for a donut and the ages ranged from senior citizens to two years old!, Cedarhurst Community Relations Director Breanna Wyman said. "Three year old Elijah Mager picked up his cousin, Mary, 2, so they could come say hi and grab a donut!" Those who

volunteered to take part in the giveaway wore masks to cover their faces and social-distanced to anyone receiving donuts or coffee.
