

American Red Cross Has Blood Drive In Loving Memory Of Ronica Otey, Who Died With Sickle Cell Issues

September 18 2020 1:22 PM

ST. LOUIS - The American Red Cross Dr. Charles Blood Program Committee and the Sickel Cell Association of St. Louis are hosting a blood drive in loving memory of Ronica Otey this Saturday, Sept. 19, from 10 a.m. to 2 p.m. at Prince Hall Masons, 4525 Olive, in St. Louis.

Ronica battled sickle cell issues her entire life before she died last September at the age of 29.
