Dr. Giroux, along with Drs. Emilia David and Sirisak Sun, offers families in Alton and the surrounding area with high-quality pediatric care right in their own community. Dr. Giroux possesses more than 26 years of professional experience in pediatrics as a board-certified physician and specializes in Attention Deficit Hyperactivity Disorder (ADHD), asthma and allergy, and bedwetting issues. "I listen to their concerns, and whenever possible, offer a variety of treatment options so they can make a well-informed decision on behalf of their child."

Dr. Giroux earned his medical degree from Chicago Medical School and performed his residencies in pediatrics at Michael Reese Medical Center and Rush Presbyterian St. Luke's Medical Center.
