NATURAL RESOURCES

SPRINGFIELD – The Illinois Department of Natural Resources (IDNR) today announced changes to Chronic Wasting Disease (CWD) check station procedures during the 2020 seven-day Illinois Firearm Deer Hunting Season (Nov. 20-22 and Dec. 3-6).

The changes, health and safety protocols implemented in response to the ongoing coronavirus pandemic, will provide greater protection to both the hunting public and IDNR staff during the season. Thacker continued and said nothing can take away the pain Shay and the children are feeling, but what the public can do is help her with the financial obstacles she will have to endure with Skyler's loss, the reason for the GoFund Me page.

Hunters should follow all public health guidelines issued by the Illinois Department of Public Health. Through responsible actions, hunters can help ensure that site hunting programs continue to offer Illinoisans healthy outdoor recreation opportunities.

IDNR is reminding deer hunters that in the counties of Boone, Carroll, DeKalb, Grundy, Jo Daviess, Kane, Kankakee, Kendall, LaSalle, Livingston, McHenry, Ogle, Stephenson, Will, and Winnebago, successful firearm deer hunters must take their deer (either whole or field-dressed) to a designated firearm deer check station *on the same day it is harvested*. Daily check station hours are 8:00 a.m.-8:00 p.m. For the dates Nov. 20-22 and Dec. 3-6, all deer harvested by hunters using a firearm deer permit in CWD counties are required to be checked at a CWD check station; these deer should not be checked through the online or telephone system.

New for 2020

Carroll County now has a CWD check station at Mississippi Palisades State Park on Illinois Route 84 north of Savanna. All deer harvested in Carroll County during the seven-day Firearm Deer Season must be taken to a CWD check station. More information can be found on pages 20-21 of the Illinois Digest of Hunting and Trapping Regulations or online at <https://www2.illinois.gov/dnr/programs/CWD/Pages/default.aspx>

Due to the ongoing coronavirus pandemic, the following changes will apply to CWD check stations:

1. Hunters should remain in their vehicles until approached by IDNR staff. Hunters are encouraged to arrive at check stations with their deer positioned so that the head and neck are accessible. Hunters entering the vehicle line at a CWD check station should be aware of updated signage and possible changes to previous traffic flow patterns. IDNR requests hunters stay in their vehicle until approached by a check station worker who will provide additional information. IDNR staff will ask one member of each hunting party to exit the vehicle at a time.

2. Hunters will be asked to wear a face mask at all times when out of their vehicle. All IDNR staff will be wearing face masks and gloves when interacting with the public at CWD check stations. IDNR is asking any hunters who must exit their vehicle to wear a face mask while out of the vehicle.

3. Hunters will not need to enter any indoor areas of check stations. Laminated maps will be moved outside at all check stations; hunters will have no need to enter the building at any check station.

4. IDNR staff will practice regular cleaning procedures. Check station workers will regularly sanitize maps, tables, and other commonly-used areas of check stations. Hand sanitizer will be made readily available.

5. Hunters will be encouraged to leave the check station as soon as their deer has been checked. In previous years, hunters would often remain at the check station to greet other hunters and view deer as they come in. To limit vehicle congestion and crowding at the check stations, hunters should move on once IDNR staff informs them they have successfully checked their deer.

These procedures may be further amended if health and safety protocols require changes prior to the firearm deer season. Hunters should check the IDNR website for updates at <https://www2.illinois.gov/dnr>

Locations of CWD check stations can be found below:

Boone	Boone County Fairgrounds	1/2 mi. N. of Rt. 76 and Bus. Rt. 20, Belvidere
Carroll	Mississippi Palisades State Park	3 miles N of Savanna at 16327 IL Route 84

DeKalb	Shabbona Lake State Park	4201 Shabbona Grove Rd., Shabbona
Grundy	Gebhard Woods State Park	401 Ottawa Street, Morris
Jo Daviess	Elizabeth Community Building	210 N. West St., Elizabeth 1/2 mi. W. of business district on Hwy. 20, next to Highland C.C. Elizabeth campus
Kane	Use Boone, DeKalb, Kendall or McHenry check station	
Kankakee	Kankakee River State Park Visitors Center	4 mi. NW of Bourbonnais at 5214 W. State Rt. 102
Kendall	Silver Springs State Fish and Wildlife Area	4.5 mi. W. of Yorkville at 13608 Fox Road
LaSalle	Buffalo Rock State Park	3 mi. W. of Ottawa on Dee Bennett Road
Livingston	Pontiac Sportsman's Club	1/2 mi. N.W. of Livingston Co. Ag Fairgrounds at 18663 4-H Park Road., Pontiac (just west of I-55)
McHenry	Moraine Hills State Park McHenry Dam Day Use Area	East of McHenry on River Rd., 2.2 mi. S. of Rt. 120
Ogle	Castle Rock State Park	Rt. 2, 3 mi. S. of Oregon

Stephenson	Stephenson County Fairgrounds	1 mi. E. of Rt. 26 and Fairgrounds Rd., Freeport
Will	Des Plaines Game Propagation Center	East of I-55 at 30550 S. Boathouse Road, Wilmington
Winnebago	Rock Cut State Park	6425 Hart Rd., Loves Park: 0.9 mi. E. of N. Perryville Rd. on Hart Rd.
