

# Crowe Delivers Clothing Donations

November 20 2020 1:42 PM

MARYVILLE- Two Metro East nonprofit organizations are freshly stocked with coats and other winter clothing items, thanks to donation efforts by community members and State Senator Rachelle Crowe (D-Glen Carbon).

“Thanks to donations from several generous residents, our neighbors will be able to stay warm this winter,” Crowe said. “We have split the donations between Operation

Blessing in Wood River and Community Hope Center in Cottage Hills. The clothing drive could not have been a success without the support from members of the Metro East community.”
