

Saint Anthony's Offers Look Good Feel Better for Women with Cancer

July 11 2014 2:14 PM

(Alton, IL) -- Area women experiencing the appearance-related side effects of

chemotherapy and  SAINT ANTHONY'S
HEALTH CENTER

radiation treatments can learn helpful beauty techniques to help restore their appearance and self-image at the next ***Look Good Feel Better*** program, scheduled for Monday, July 21 at 10 a.m., in Saint Clare's Professional Building, Suite 303, located at 815 E. Fifth Street, Alton.

In partnership with the American Cancer Society, Saint Anthony's Health Center offers the Look Good Feel Better program to help women learn more about makeup techniques, skin care, nail care, and options related to hair loss such as wigs, turbans, and scarves;

Local stylist Leveda Gaven will be on hand to guide women with techniques.

Each group program participant receives a free kit of cosmetics for use during and after the workshop.

Facilitated by Saint Anthony's staff and American Cancer Society trained cosmetologists, this is a free class, open to all women undergoing cancer treatment. For more information or to register, please call 618-465-2264.
