

Bost Statement on Impeachment

WASHINGTON – U.S. Representative Mike Bost (IL-12) released the following statement regarding the House of Representatives vote to impeach President Trump:

“If we are truly going to begin the work of healing the deep divisions in America, we must first turn down the temperature and tone down the rhetoric. I fear that efforts to impeach President Trump or force Vice President Pence to invoke the 25th Amendment will only make a bad situation worse. Therefore, I strongly oppose Speaker Pelosi on both tactics, which are being rushed through Congress with unprecedented speed and little opportunity for the president to defend himself. President Trump has committed to a peaceful transition of power one week from today; and we would all be best served by dedicating that short time to making the process as seamless as possible.”
