This event will be held on Sunday September 28, at the Godfrey Township. Registration begins at 2:30, and the luncheon will start at 3. "There will be several speakers sharing valuable information that will help ladies in all walks of life," says Candice Wallace, visionary of You're Fabulous Inc., who is organizing the luncheon. "I am excited about the networking and information that will be shared that afternoon."

"Ladies You're Fabulous" is the theme of the luncheon. This event is serving as a fundraiser for a luncheon for young ladies in this area which will take place in October. Tickets are just \$15, and can be purchased until Monday September 22.
