**SPRINGFIELD** – The Illinois Department of Public Health (IDPH) today reported another COVID-19-related death in Jersey County.

The Jersey County death was a female in her 80s.

IDPH also reported 3,581 new confirmed and probable cases of coronavirus disease (COVID-19) in Illinois, including 40 additional deaths.

Jersey County has 2,607 reported cases of COVID-19 and 49 deaths to date, the IDPH said. Madison County has 29,717 positive COVID-19 cases and 513 deaths. Macoupin County has 4,575 COVID-19 cases and 81 deaths, Greene County has 1,422 cases and 32 deaths and Calhoun has 502 COVID-19 cases and 2 deaths. St. Clair County has 27,071 COVID-19 cases and 502 deaths. There were two COVID-19-related deaths in St. Clair County in the past 24 hours: female in her 40s and a male in 60s.

Madison County has an average positivity rate of 4.61 percent over the last seven days.

The positivity rate is the percentage of people who test positive for the COVID-19 virus of those overall who have been tested.
