GREENVILLE – [Marcoot Jersey Creamery](#) is announcing plans to host their annual [Cheesefest](#) event on June 5, 2021 from 10 a.m. to 2 p.m. at the Marcoot Jersey Creamery. This free event will be known as “the one where you get out of your car!” Guests will be able to park and walk around the grounds, provided they maintain proper social distancing measures.

Marcoot Jersey Creamery has been tasked with pivoting in a variety of ways during the COVID-19 pandemic. One particular pivot made last year was hosting Cheesefest as a [drive-thru event](#), “the one where we stayed in the car!” Guests remained in their vehicles

and were allowed to drive around the creamery while listening to a self-guided audio tour through their car radios.

A variety of farm animals will be present this year, including baby calves. Marcoot Jersey Creamery will be offering their grilled cheese sandwiches, fresh fried cheese curds, and product bundles including beef, cheese, ice cream, and Extreme Ice for purchase. Also, the [St. Louis Dairy Council](#), a nonprofit dedicated to promoting dairy foods and providing science-based dairy and nutrition information, will be in attendance to host a special activity.
