ELSAH - QEM Fire Protection District, along with Godfrey Fire Department, responded to a large metal shed on fire Thursday morning on Elsay Hills Drive in Elsay.

When firefighters arrived the shed was fully engulfed with flames. Firefighters were able to get the fire under control but the shed was a complete loss.

Firefighters had to shuttle water because there were no close hydrants nearby. Jersey Community Ambulance was on scene for standby in case of any injuries. No injuries were reported.

Jersey County Sheriff Department helped with traffic control.
