May 31 2021 7:10 AM

GRANITE CITY – Maryville Elementary School Principal Mark Lull recognized 118 students who completed the Individual Reading Plan (IRP) 100 book reader program for the 2020-21 school year.

All students received a medal on Monday for their accomplishments.

"Independent reading is fun! It's a way for students to explore new subjects at their own pace, to exercise their imaginations and connect with their creativity," Lull said.

The following Maryville 1st and 2nd graders read 100 books for the 2020-21 school year:
