

Lanes Opening Where Possible Statewide for Memorial Day Travel

May 27 2021 11:26 AM

Non-emergency closures suspended; motorists should still expect work zones

SPRINGFIELD – The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the Memorial Day weekend to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Friday, May 28, to 11:59 p.m. Monday, May 31.

The following lane closures will remain in place during the holiday weekend. Motorists can expect delays and should allow extra time for trips through these areas. Drivers are

urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and stay alert for workers and equipment.

At all times, please buckle up, put your phone down and drive sober.

District 8

- Illinois 148 just north of I-57; lane reductions continue with traffic controlled by temporary signals.

- Illinois 148 at the I-57 ramps; lane reductions continue with traffic controlled by temporary signals.
- Stotlar Road over I-57 in Marion; closed, no detour posted.

Over the next six years, IDOT is planning to improve 2,779 miles of highway and 7.9 million square feet of bridge deck as part of Gov. JB Pritzker's historic, bipartisan Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.

For more information on IDOT projects, click [here](#), and view area construction details on IDOT's [traveler information map](#) on GettingAroundIllinois.com.
