

Frohardt honors IRP 100 Book Readers

May 27 2021 1:12 PM

GRANITE CITY – Frohardt Elementary School acting principal Karen Robertson recognized 100 students who read at least 100 books for the Independent Reading Program (IRP) in the 2020-21 school year.

Students (51 3rd graders, 47 4th graders, two 5th graders) received a certificate of achievement and a medal for their accomplishment. In addition, there was 27 4th graders who received a two dollar bill for reading 100 or more books four years in a row. Due to the unprecedented circumstances of this year, the awards were presented in the classroom.

"This is quite an accomplishment, particularly with this year's unique challenges! Learning to read and comprehend text is the foundation of a student's academic

development and success," said Robertson. "Reading exercises our minds, builds our imagination, and deepens our understanding of one another and the world around us. We are so proud of our Wildcat readers and thankful for the support of their families."

The following Frohardt 3rd, 4th and 5th graders read 100 or more books for the 2020-21 school year:
