Thank you Madison County voters

I want to take this opportunity to express my gratitude to all the voters in Madison County for re-electing me as Treasurer. I'm honored that you put your trust in me once again.

Since first being elected, I kept the promises I made to you.

I automated and reformed the tax sales, cut the treasurer's budget by 30 percent, and invested county funds safely, tripling deposits in local banks from \$30 to \$90 million.

My innovations for the office included free and easy electronic payment options and increased internet security.

It's a new day, and a new term. I am committed to serving every taxpayer in Madison County. I care about how your tax dollars are spent.
