June 23 2021 1:50 PM

**HARTFORD** – The Illinois Department of Transportation announces Illinois Route 3 will be closed to all traffic between 7<sup>th</sup> Street and the Amoco Cut-Off Road starting at

noon Saturday, June 26, to approximately 9 p.m. on Sunday, June 27. Traffic will be able to detour to either Illinois Route 143 or Illinois Route 111 via Hawthorne Street during this period.

This weekend closure is necessary to allow for the transport and installation of a new pipe bridge west of the levee, just north of Rand Avenue. This work is being completed by Graycor Industrial Constructors, Inc., and Mammoet USA, Inc.

Local police will be deployed to warn motorists of this temporary closure and assist with detouring traffic. If possible, please plan ahead and avoid the area Saturday and Sunday.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes is encouraged. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
