

Lanes Opening Where Possible For July 4 Travel

July 1 2021 11:22 AM

SPRINGFIELD – The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the independence Day holiday to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Friday, July 2, to 11:59 p.m. Monday, July 5.

The following lane closures will remain in place as part of ongoing work zones during the holiday weekend. Motorists can expect delays and should allow extra time for trips through these areas. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and stay alert for workers and equipment.

At all times, please buckle up, put your phone down and drive sober.

District 1

City of Chicago

- Halsted Street over Interstate 57; lane reductions continue.

- Illinois 148 just north of I-57; lane reductions continue with traffic controlled by temporary signals.
- Illinois 148 at the I-57 ramps; lane reductions continue with traffic controlled by temporary signals.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.

For more information on IDOT projects, click [here](#), and view area construction details on IDOT's traveler information map on GettingAroundIllinois.com.
