Jerseyville Parks & Recreation Department (JPRD) hosted 11 participants for the Murder Mystery Dinner trip held on Friday, November 14. The group enjoyed beer tasting at Piasa Winery & Pub before heading to Pere Marquette Lodge & Conference Center for wine tasting and dinner. The dinner included a guest interactive performance of the play, *Bullets In The Bathtub*. The performance was based in the heart of Chicago during the roaring 20's, so dressing for the part was encouraged.

The department offers two day trips every month. For more information or to learn how to register for future day trips, please visit www.jerseyville-il.us/ParkRec/forms, call JPRD at 618.498.2222 or e-mail jerseyvilleparkandrec@gtec.com.
