BETHALTO - The Bethalto Police Department posted these photos of two individuals with a pickup truck/trailer and asked if anyone recognized them because of an illegal dumping complaint.

"Our police department took a report from a local business in reference to illegal dumping," Bethalto Police said today. "In the surveillance photos, two males arrive in a newer model Ford pickup truck with a trailer which appears to have out-of-state registration plates. The driver and occupant are clearly observed dumping numerous pieces of furniture and construction waste into a business's dumpster, and also into the area near the roadway.

"The act occurred at 12:30 p.m. on Monday 08/02/21. Our department is seeking assistance from the public to help identify these individuals, so we can make contact with them regarding this complaint."
