

Lane Restrictions Planned On Illinois 111/3 (Homer Adams Parkway) Sunday Night, September 19, 2021

September 18 2021 7:35 AM

ALTON – The Illinois Department of Transportation announces that intermittent lane restrictions will begin on IL 111/3 (Homer Adams Parkway) between Alby St. and IL 140 on Sunday night, September 19, 2021, weather permitting. The restrictions for this stage of work will take place between 6:00 pm and 6:00 am during weekdays and one lane will remain open in each direction at all times. This stage of construction is needed to continue to do pavement repairs and place a new lift of asphalt. This stage of work is expected to be completed by mid-October.

This stage of construction is part of a larger project that will include many additional lane restrictions. The times and locations of future restrictions will be announced as the project continues. The entire project is expected to be completed by June 2022.

Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is the C. E. Mahoney Co. of Swansea, Illinois.
