PONTOON BEACH – The Illinois Department of Transportation announces that intermittent lane restrictions will begin on IL 111 between Horseshoe Lake Rd. and Collinsville Rd. on Monday, September 27, 2021, weather permitting. Two-way traffic will be maintained through the work zone by the use of flaggers. This work is needed to do pavement repairs and place a new asphalt driving surface. The work is expected to be completed by the end of November 2021.

Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is the Christ Brothers Asphalt of Lebanon, Illinois.
