

IDOT Announces A Complete Directional Closure On IL 3 In Madison County Beginning Monday, Nov. 1

October 27 2021 10:34 AM

ALTON – The Illinois Department of Transportation announces a complete directional closure of the northbound lanes IL 3 between IL 140 and Broadway beginning at 6:00 am on Monday, November 1, 2021, weather permitting. The restrictions for this stage of work will have all of the northbound lanes completely closed until work is completed at 7:00 pm on Friday, November 5, 2021. This stage of construction is needed to continue to do pavement repairs.

A marked detour will direct motorists to Washington Ave. and lead into Homer Adams Parkway. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

This stage of construction is part of the larger Homer Adams Parkway resurfacing project that will include many additional lane restrictions. The times and locations of future restrictions will be announced as the project continues. The entire project is expected to be completed by June 2022.

The contractor on this project is the C. E. Mahoney Co. of Swansea, Illinois.
