

# **Treasurer Frerichs Announces Fifth Gold Rating for Illinois' Bright Start 529 College Savings Plan**

October 30 2021 7:15 AM

CHICAGO – Illinois State Treasurer Michael Frerichs announced today that Illinois' Bright Start 529 College Savings Plans has earned a Gold rating from Morningstar, keeping the plan among the best in the nation for the fifth consecutive year.

“To be touted as the ‘best and brightest’ by Morningstar is the ultimate compliment and confirms from an independent source that Illinois’ 529 College Savings plans are a great

investment for Illinois families,” Frerichs said. “Since taking office, my priority has been to ensure Illinois families have access to the highest quality savings plans in the nation. We are proud to earn this honor and help parents save for their children’s future.”

A child is three times more likely to attend college if they have a dedicated college savings account, according to research from the Center of Social Development at Washington University in St. Louis, Missouri. Ensuring top quality 529 programs is one of several initiatives by Frerichs’ office to make college more accessible.

Each year, [Morningstar](#) independently evaluates and rates college savings plans, assigning each a Morningstar Analyst Rating of Negative, Not Rated, Bronze, Silver, or Gold. Bright Start has won a Gold medal every year since Frerichs revamped the plans in 2017. In Morningstar’s latest rankings, Bright Start is 1 of only 3 Gold-rated 529 plans in the country. In their review, Morningstar identified Bright Start as “Summa Cum Laude” setting it as a “top-notch plan” which “set the curve for their peers, offering exceptional investments while emulating savvy stewardship.”

Morningstar’s medal ratings represent composite scores of each plan’s performance across four key pillars - Process, People, Parent, and Price. Morningstar awarded Bright Start positive ratings across all four categories. Morningstar applauded the Illinois State Treasurer’s Office’s investment team, “Illinois touts a strong investment team that has an impactful voice in the construction of this plan and supports our positive view.”

Illinois State Treasurer Michael Frerichs serves as Trustee and Administrator of the Illinois 529 College Savings Programs. Since 2015, Frerichs has worked with Union Bank & Trust, the program manager, to reduce fees and ensure more investment dollars go directly to college savings. These changes have helped the Illinois 529 College Savings Pool to grow by more than double from \$7 billion to \$17 billion in assets with approximately 750,000 accounts.

Money in a 529 college savings account can be used at eligible educational institutions, including public and private, two-year, four-year colleges and universities, and certain technical and vocational schools. The investment grows tax-free when spent on qualified expenses.
