

Unemployment Rates Down For The Sixth Consecutive Month, Jobs Up In Most Metro Areas

October 29 2021 10:12 AM

SPRINGFIELD – The unemployment rate decreased over-the-year in all fourteen Illinois metropolitan areas in September for the sixth consecutive month according to preliminary data released today by the U.S. Bureau of Labor Statistics (BLS) and the Illinois Department of Employment Security (IDES). Jobs were up in twelve metropolitan areas and down in two.

“While today’s data shows us how much has improved across the state over the last year, we know there is still room for further recovery and to get people back to the workforce,” said Deputy Governor Andy Manar. “The Pritzker administration and IDES are committed to enhancing this recovery period by working with employers and dislocated workers to assist them in their search for jobseekers and career opportunities.”

Over-the-year, total nonfarm jobs increased in twelve metropolitan areas and decreased in two. The metro areas which had the largest over-the-year percentage increases in total nonfarm jobs were the Kankakee MSA (+3.1%, +1,300), the Champaign-Urbana MSA (+3.0%, +3,500), and the Chicago-Naperville-Arlington Heights Metropolitan Division (+3.0%, +105,200). Total nonfarm jobs were down in the Bloomington MSA (-0.6%, -500) and the Rockford MSA (-0.2%, -300). The industries that saw job growth in a majority of metro areas included: Leisure & Hospitality (fourteen areas); Transportation, Warehousing & Public Utilities (thirteen areas); Government (ten areas); Other Services (nine areas) and Educational & Health Services (eight areas).

Over-the-year, the unemployment rate decreased in all 14 metropolitan areas; the metro areas with the largest unemployment rate decreases were the Chicago Metro Division (-6.1 points to 6.1%), the Elgin Metro Division (-2.9 points to 4.9%) and the Davenport-Moline-Rock Island IA-IL MSA (-2.6 points to 4.1%) and the Illinois section of the St. Louis, MO-IL MSA (-2.6 points to 4.5%). The unemployment rate also decreased over-the-year in all 102 counties for the sixth consecutive month.
