

IMPACT CIL invites public to utilize CTC/Learning Lab

January 5 2015 1:59 PM

We invite you to utilize our lab to help sever the barriers caused by the rise in technology usage and bridge the digital divide! Several computers are available to work on various consumer driven needs. Individualized assistance is available for keyboarding skills, WORD, PowerPoint, Email, Internet usage, as well as other basic career development skills (resume, cover letter writing and job searching).

The CTC/Learning Lab at IMPACT CIL

Open Mondays & Wednesdays

8:30 a.m. - 12:00 & 1:00 - 3:30 p.m.

(Closed for lunch – 12:00-1:00)

Appointments preferred but walk-ins are always welcome!

Common questions we can help!

- If only I knew how to...
- There must be an easier way to...
- I'm sure I could do more

For more information please call and leave a message for:
