In celebration of the upcoming tour, Twenty One Pilots have also surprise-released a digital deluxe version of their acclaimed new album, *Scaled And Icy*. Available today on all streaming platforms, *Scaled And Icy* (Livestream Version) includes never before released performances of fan-favorite tracks from the group's pioneering global streaming event, "Twenty One Pilots - Livestream Experience". Originally broadcast this past May, the event ushered in a new standard in the livestreaming space with Billboard declaring, "After seven months of meticulous planning and two weeks of marathon rehearsals, Twenty One Pilots pulled off a home-brewed Las Vegas-worthy spectacle."

Furthermore, today also marks the release of the widely anticipated *Scaled And Icy* vinyl, including limited edition variants. Available [HERE](#), the first pressing features several exclusive color variants including: Light Blue (Twenty One Pilots Official Store), White (Target), Orange (Amazon Music), Clear (Local Record Store), Curacao (Walmart), and Silver (EMP).

Scaled And Icy debuted at No. 1 on Billboard's Top "Rock Albums" and "Alternative Albums" charts while landing at No. 3 on the "Billboard 200," marking the biggest opening week for a rock album in 2021. The new record is highlighted by the #1 Alternative Radio hits "Saturday," and "Shy Away," the latter of which ascended to #1 at the format in just three weeks, placing the duo in an elite group of acts with multiple songs to rise to #1 at the format in three weeks or less including: U2, R.E.M., The Cure, Linkin Park, Red Hot Chili Peppers, and Foo Fighters.

Written and largely produced by Tyler Joseph in isolation over the course of the past year at his home studio, with Dun engineering the album's drums from across the country, *Scaled And Icy* is the product of long-distance virtual sessions and finds the duo processing their upended routines along with the prevailing emotions of 2020 - anxiety, loneliness, boredom, and doubt. The duo had to forgo their normal studio sessions but reached a new level of introspection in the process, adopting a more imaginative and bold approach to their songwriting. The result is a collection of songs that push forward through setbacks and focus on the possibilities worth remembering. *Scaled And Icy* is Twenty One Pilots' first studio album in three years and follows their RIAA Platinum certified LP, *Trench*.
