MURPHYSBORO – U.S. Representative Mike Bost (IL-12) today announced that his re-election campaign has been endorsed by 35 mayors and village presidents from across the newly redistricted 12th Congressional District. These endorsements add to the list of 21 Republican Central Committee Leaders and 4 State Representatives who have announced their support for Bost.

“As mayors and village presidents for communities across Southern Illinois, we are proud to endorse Congressman Mike Bost for re-election in the 12th District,” said the community leaders in a joint statement. “Mike has never forgotten where he came from; he is accessible to his constituents and understands the importance of working closely with local leaders to better our communities. Mike is a fighter and a leader in Congress and we need him to be our voice in Washington, D.C.”

“I am honored by the number of mayors and village presidents who have put their trust and confidence in me,” said Bost. “The most important job I have in Congress is to protect and serve my constituents, and I have been proud to work very closely with municipalities to ensure that the needs of the people of Southern Illinois are met. I am very grateful for the substantial number of endorsements I am receiving and look forward to continue building coalitions of support across the 12th District.”
