

American Bald Eagle Presentation at SSP

January 12 2015 3:06 PM

On Friday, January 23, 2015, from 2:00-3:00pm, join SSP in an informative presentation on the American Bald Eagle. The Illinois Department of Natural Resources will be speaking on the significance of the majestic bird and its presence in the Alton

Bluff Region. Find the best locations for Eagle spotting and hear from a local expert. Information will also be provided on upcoming fishing clinics offered by the ILDNR. Senior Services Plus is located at 2603 North Rodgers Avenue in Alton. This presentation is free and open to the public. No RSVP is required. For more information, call [618-465-3298, ext. 146](tel:618-465-3298)
