*Isaac's Rays of Hope is a non-profit organization which supports kids with cancer and their families. Their mission is to provide personalized care packages and positive distractions to children and teens (as well as their siblings) undergoing treatment, and in addition, help ease the financial burden and emotional stresses that childhood cancer places upon the entire family. IROH serves families receiving treatment at St. Louis*

*Children's Hospital, SSM Cardinal Glennon Children's Medical Center, and Mercy Children's Hospital regardless of where they live. For more information you can visit their website at [www.isaacsofhope.org](http://www.isaacsofhope.org), or Facebook page at Isaac's Rays of Hope.*
