

Cram the Center for Jonny

January 15 2015 4:28 PM

Around the holidays, the Wade's found out that their beautiful son Jonny has brain cancer. Follow their story on Facebook at Project Team Jonny or click <https://www.facebook.com/pages/Project-Team-Jonny>.

To unite the JPRD community together in support of this family, we are holding Cram the Center for Jonny during the basketball games, in conjunction with the community-wide Jonny's Day on Friday, January 23.

Come to the Susnig Center, watch some basketball action, wear gray for brain cancer awareness and support #10! Admission will be \$1. All of the admissions will be donated to the family for Jonny's benefit.

For more information, please call JPRD at 618.498.2222 or email jerseyvilleparkandrec@gtec.com.
