KAMPSVILLE – The Illinois Department of Transportation today announces the Kampsville Ferry will close at 5 p.m. Friday, January 7, 2022, due to a significant ice collection in the Illinois River.

"This closure will remain in place until the Illinois River clears and the Kampsville Ferry can make consistent safe crossings," IDOT said.

"Please consider the Joe Page Bridge at Hardin and Brussels Ferry north of Grafton to access and egress Calhoun County during this closure."
