EDWARDSVILLE— The Gori Law Firm is proud to announce six attorneys have been selected as this year's 2022 Leading Lawyers. Managing Partner Sara Salger and Partners Chris Layloff and David Aubrey have been named Emerging Lawyers. Partners Erin Beavers and Bob Marcus, along with Of Counsel Evan Buxner, were among those announced as Leading Lawyers.

Emerging and Leading Lawyers are recommended by their peers to be among the top lawyers in their specific areas of practice. Less than five percent of all lawyers licensed to practice law earn the distinction of Leading Lawyer while fewer than two percent of lawyers earn the Emerging Lawyer distinction. To be nominated as an Emerging

Lawyer, individuals must be 40 years of age or younger or have been practicing law for 10 years or less. Throughout the years, The Gori Law Firm has had several individuals recognized as Leading Lawyers or Emerging Lawyers.

“It’s an honor to have so many of our attorneys recognized for their efforts,” said Salger. “We are proud of the work we do and how it impacts the lives of our clients.”
