About Beverly Farm

Beverly Farm was founded in 1897 by Dr. William H.C. Smith and his wife, Elizabeth to establish a caring home, socialization, proper medical care, healthy diet, physical exercise, education, recreation and meaningful work for people living with developmental disabilities. Today it is a planned community that looks and feels like a neighborhood. There are homes; a recreation center with a pool; an equestrian center; medical services; therapies, and much more. More than 300 individuals who live with intellectual or developmental disabilities call Beverly Farm home.

The mission of Beverly Farm is to provide a loving, caring home for adults with developmental disabilities, providing each individual with physical and emotional security and a dignified quality of life, with opportunities and challenges, within each individual's functional capabilities.
