

# **The River Bend area welcomes its newest Real Estate Professional Sheena Church.**

January 20 2015 5:00 PM

Sheena Church, a Broker with RE/MAX Alliance, grew up in Granite City and resides in Brighton. Asked about her strengths, she said “My greatest strength is empathy for

my clients.” “When a house goes on the market, there is nothing more important to a seller than knowing that the Agent they chose makes selling their house her number one priority – I’m that kind of Agent.”

Sheena’s mindset made choosing to become an Associate with RE/MAX Alliance an easy decision. “Nobody sells more real estate than RE/MAX – I feel that fact alone demonstrates the advantages me and RE/MAX bring to the table in selling my clients property.”

Sheena Church works out of the REMAX/Alliance office in Collinsville. Whether selling or buying, contact Sheena Church first!
