

Roxana 3rd Graders go above and beyond for Salvation Army Food Drive

January 27 2015 4:45 PM

The 3rd Grade at Roxana Elementary were the winners (out of a school-wide food drive) in collecting the most food for The Salvation Army Food Shelf last December. To reward them, TSA will host a "Lunch with the Lieutenant" this Friday.

There are some great stories that came from this experience involving the children's participation. One child used his allowance to purchase cans of food. A little girl asked for canned goods for Christmas to donate to the drive.
