Germania Brew Haus's East Alton location debuted for a "soft opening" today from 6 a.m.-12 p.m. They asked the public for patience as they practiced serving coffee out of the drive-thru of their latest location in EastGate Plaza.

“As always, thank you so much for letting us serve you coffee,” Germania Brew Haus wrote in a [Facebook post](#). “It is truly a blessing to be a part of so many peoples lives in a small way, but nonetheless, a part of your day. You trust us with your time and money, and we don’t take that lightly.”

After a series of power and pandemic-related delays, Germania’s third location finally had working electricity as of [Thursday night](#). While this location will be drive-thru only for a short while, they’re currently working with EastGate Plaza on a patio space for this spring.

This EastGate drive-thru location will also be open tomorrow and Sunday from 7 a.m. -12 p.m. Next week, it will be open from 6a.m.-12p.m. until the grand opening, the official date of which is yet to be announced.
