March 22 2022 1:11 PM

EAST ALTON - Beginning Monday, April 25th, during their normal garbage pick-up day that week, East Alton Village residents may put out bulk items and general rubbish and junk not suitable for regular garbage pick-up.

**Items not allowed:** electronics, tires, shingles, car parts, concrete, hazardous materials such as oil, paint, asbestos, etc.

Trash trucks may pick up some of the items during your normal pick-up; a Village dump truck will follow along the garbage routes and pick up other items throughout the week. Depending on the volume, items may be picked up a day or two later after normal trash pick-up.

In order to take advantage of the Village Spring Clean-up, all items must be placed in the area of your regular trash pick-up by 6:00 am on your regular trash pick-up day the week of April 25th.

For **NO ADDITIONAL CHARGE** (East Alton Village residents only), the Village Drop-Off Center located at 331 Playground Court behind the Municipal Garage will also be open Monday, April 25th through Friday, April 29th from 7 am – 3 pm and Saturday, April 30th from 8 am – 12 pm.
