

Alton MultiSpecialists Adds Primary Care Physician

April 6 2022 3:28 PM

ALTON – Wendy Frazier, MD, has joined the Alton Multispecialists and Alton Memorial Hospital medical staff. Alton MultiSpecialists is located at 1 Professional Drive in Alton.

For more information or to schedule an appointment, call 618-463-8574.

Dr. Frazier provides primary care for patients of all ages. She helps patients address both acute and chronic conditions such as hypertension, type 2 diabetes, depression, musculoskeletal injuries, urinary tract infections and many other conditions. She also

offers annual wellness exams, well-child exams, school/sports physicals, well-woman exams and other general medical services.

An Air Force veteran, Dr. Frazier earned her medical degree from the Medical University of South Carolina in 2012 and completed a joint Family Medicine residency with the USAF and Saint Louis University in 2015. Prior to joining Alton MultiSpecialists, she provided care for patients at Scott AFB.
